STAT

Dear Mr. del Monteroca:

General Smith has asked me to acknowledge your letter of October 1st and to thank you for your cordial reaction to the statement he made in his testimony at the Benton-McCarthy pre-trial hearing.

I am sure you will understand from his subsequent statements to the Press that he had no intention whatsoever of contributing in one way or another to the current political furor over Communists in the Government, and you will understand that his remarks reflected the proper concern of a Government official.

Sincerely,

Dear General:

I, in my own name,
as in the name, of all
my numerous friends,
in and outside the
G. O. P. I do congratulate
you, most heartily
to your fine, honest
Statement, so very
courageous put over,

about the shroud infil-
tration of the nihilistic
"Reds" in all the "Branches"
of the Federal Government;
(and may I say, also in
all the State Governments)
May official Washington
be surprised at your
Statement, we, the un-
known men of the "Main-
Street" of this great country,
are not surprised at least.
Dear General, please do
use your great power
and fight them united
with all the good people

if this still ^{so} fare
Christian Nation
of America!

With all due Respect
Sincerely Yours!

L. Wendel
del Monteroca
